Kornit Storm Platform

Built for small to medium size direct-to-garment printers, the Storm platform offers an economical approach to printing. Now also with an HD Technology configuration!

- **Superior printing on multiple fabric types**, including light and dark garments
- **No need for external pre-treatment and heat press**
- **Eco-friendly process** complies with strict industry standards
- **Ink recirculation** increases production reliability and reduces printing costs
- **Integrated humidity system**
- **Quick pallet replacement**
- **Fully automated maintenance procedures** for seamless workflow and long-term reliability

 Support agreement offering

HD Technology

Rseries

Recirculating ink system for reduced cost per print and advanced reliability
